Sir,

Shirur Ramachandra Anantha Prabhu, a fuel coupe contractor of the North Kanara district, Bombay Presidency, has applied for permission to use the cart track in Savantagudde and Kadike Reserved Forests and a portion of the Kadike forest road to a distance of one mile and two furlongs in Coondapur Range, South Kanara district for the transport of fuel from a coupe in North Kanara District to Shirur port in Coondapur Range. This traffic

traffic is estimated to be 1,500 cart loads. As it is important that we should get the traffic finished before the monsoon, the Conservator has, in anticipation of sanction permitted the use of the road by the contractor after taking from him a contribution of Rs.100 (one hundred) towards the cost of repairs to the road I request that, with reference to G.O.No. 846, Development Department dated the 17th June 1935, the Conservator's action may please be approved.

It has practically fixed at his or D F O's discretion as being a reasonable amount to pay. For the first time as it is more than enough to repair the consequent wear and tear on the road surface-

We will.
